Delay Me Not!

A flight delay estimator providing ticket purchasing advice

A flight search interface with a blue border and a white background. At the top center is a dark blue circle with a white airplane icon. Below it is the heading "Looking for Flights?". The form has two columns. The left column has a "From" label above a text box containing "SFO", and a "Depart" label above a text box containing "Sep 19". The right column has a "To" label above a text box containing "JFK". To the right of the "Depart" box is an orange button with a white airplane icon and the text "Go". Below the "Looking for Flights?" section is the heading "Already have a Flight?". Below this is a "Flight Number" label above a text box containing "UA668". To the right of this box is another orange button with a white airplane icon and the text "Go".

The interface features a blue header bar with a white airplane icon. Below it, a table lists four flights with their respective delay probabilities and expectations. A vertical scrollbar is on the left of the table. Below the table, a section titled 'Best Flight That Week' contains a single row of data.

Flight	Delay Probability	Delay Expectation
UA760	12%	17 min
DL1859	32%	70 min
AS1268	56%	31 min
AA16	63%	47 min

Best Flight That Week

UA668	8%	3 min
